WHAT IS OPTA?

The Oregon Physical Therapy Association (OPTA), a chapter of the American Physical Therapy Association, was incorporated in 1954 as an Oregon non-profit association for the profession of physical therapy. The association's mission is to support, promote, and advocate for the profession of physical therapy. We strive to further the profession's role in the prevention, diagnosis, and treatment of conditions that affect movement and function. The annual conference is our premier event to meet with physical therapy professionals face-to-face.

WHO WILL ATTEND?

Physical therapy professionals from Oregon and the surrounding communities. Because OPTA focuses solely on the issues and concerns of physical therapy, our show attracts physical therapy professionals from around the state. Approximately 200-250 physical therapy professionals representing large corporations, private clinics, hospitals, home health and students are expected to attend this event.
